

RECYCLE TODAY FOR TOMORROW

	What to Include	How to Prepare	What to Exclude
GLASS 	Clear, brown & green bottles & jars	Rinse & clean. Place metal caps & lids in bin.	NO Drinking glasses, pyrex, light bulbs, ceramics, or window glass
PLASTIC 	All plastic containers with these recycling symbols on the bottom  1 (PETE)  2 (HDPE)	Rinse & clean. Discard caps.	NO Containers with No. 3 through No. 7 recycling symbols
CANS 	Aluminum & steel coated (tin) cans, & aluminum foil	Rinse & clean.	NO Cans with plastic bottoms, rusty or full cans, aluminum pie plates.
PAPER 	Newspaper, inserts, junk mail, magazines, office paper, phone & paperback books, paper board boxes (cereal, pasta, etc.)	Envelopes with windows and labels are okay.	NO Foil back, hardcover books, wax paper, or shiny fax paper. Do not place in plastic bags. Envelope windows ok.
DRINK CARTONS 	Wax coated milk & juice cartons, aseptic (<i>clean</i>) juice boxes	Discard plastic linings, flatten box, place with other papers in a paper bag or bundle with string & place on top or along side of bin	NO juice box straws.

All the recyclable items above should be placed in your green bin. All paper items should be in a brown paper bag or bundled with string and placed on top, or alongside your bin. Please put out your bin on your regular trash day by 7:00 a.m.

If by chance your bin is not picked up, an item or items in the bin may not be recyclable. Simply remove the non-recyclables and place bin out the following week.

For your convenience there is a drop off site at the Transfer Facility for your recyclables, as well as corrugated cardboard. Used motor oil may be dropped off at the Transfer Facility.

For more information call Public Works at 895-4735 extension 108.
